

Phase 2: Niche & Product Research Report

— iQueer

1. Niche Comparison & Ranking

Based on 2026 market data, search volume, and your 7-day execution speed, here is the ranked comparison of the top 3 niches.

Niche	Search Volume (Etsy/Google)	Competition Density	Execution Speed (7-day)	Revenue Po
1. Tech-Nomad	High (Rising demand for "Gay Coder" & "AI Merch")	Medium (Fragmented, lacks premium design)	Fast (Assets already exist)	High
2. Subtle Professional	Medium-High (Trend: "Sophisticated Power Pieces")	Low (Most pride merch is "loud")	Medium (Requires new minimalist assets)	Medium-Hi
3. Solo Traveler	Medium (42.7% of LGBT tourism market in 2026)	Low (Very few queer-specific travel gear brands)	Slow (Requires high-quality functional gear)	Medium

2. Niche One-Pagers & Product Ideas

Niche 1: The Tech-Nomad (Top Recommendation)

Focus: Blending AI culture, coding humor, and queer identity with a premium, high-contrast aesthetic.

Product	Price	COGS	Fees (Etsy+Pay)	Net Profit
"Cloud-Based Cunt" Tee	\$35.00	\$14.50	\$3.78	\$16.73
"Vogue in Binary" Pouch	\$45.00	\$18.00	\$4.73	\$22.27

"404% Laptop Sleeve"	\$30.00	\$12.00	\$3.30	\$14.70
"System Update" Hoodie	\$65.00	\$28.00	\$6.63	\$30.38
"Rebranding Trauma" Stickers	\$15.00	\$3.50	\$1.88	\$9.62

Mockup Description: Cinematic, high-contrast lighting. A non-binary model in a dark, neon-lit server room or a minimalist co-working space. Focus on the texture of the fabric and the sharpness of the typography (Instrument Serif).

Niche 2: The Subtle Professional

Focus: "If You Know, You Know" (IYKYK) designs. Minimalist, sophisticated, and office-appropriate.

Product	Price	COGS	Fees (Etsy+Pay)	Net Profit
Minimalist "iQueer" Polo	\$48.00	\$22.00	\$5.01	\$20.99
"Boundaries" Mug	\$22.00	\$8.00	\$2.54	\$11.46
Geometric Enamel Pin	\$18.00	\$4.00	\$2.16	\$11.84
"Evaluated by AI" Tote	\$28.00	\$11.00	\$3.11	\$13.89
"Identity" Notebook	\$25.00	\$9.00	\$2.83	\$13.18

Mockup Description: Clean, bright, editorial style. Asymmetrical Bento Grid layout. Model in a high-end office or gallery setting. Focus on the "Glassmorphism" effects in the background.

Niche 3: The Solo Traveler

Focus: Functional, stylish gear for the queer solo traveler and working holiday nomad.

Product	Price	COGS	Fees (Etsy+Pay)	Net Profit
"Nomad" Weekender Bag	\$75.00	\$35.00	\$7.58	\$32.42
"Queerly" Passport Cover	\$25.00	\$10.00	\$2.83	\$12.18
"Traveler v1.0" Bottle	\$32.00	\$14.00	\$3.49	\$14.51
"System Update" Pillow	\$28.00	\$12.00	\$3.11	\$12.89
"Rebranding" Luggage Tag	\$15.00	\$5.00	\$1.88	\$8.12

Mockup Description: Outdoor, cinematic motion. A solo traveler at a train station or airport lounge. High-contrast, wide gutters in the layout.

3. Asset Mapping: CampGPT → iQueer

CampGPT Asset	iQueer Product	Strategy
"Rebranding My Trauma"	Sticker Pack / Luggage Tag	Pivot from "funny tee" to "identity accessory."
"Cloud-Based Cunt"	Premium Tee / Tech Pouch	Keep as the flagship "Tech-Nomad" item.
"Vogue in Binary"	Laptop Sleeve / Tech Organizer	Lean into the "Techcore" aesthetic.
"404% That Bitch"	Streetwear Hoodie	Position as high-end queer streetwear.
"System Update"	Self-Care Bundle (Mug/Pillow)	Focus on the "mental health/boundaries" angle.

4. "Launch This First" Recommendation (Quick-Win)
